**PRIME FOREST PRODUCTS ACQUIRES RAINIER CUSTOM REMANUFACTURING INC  
STANDING THE TEST OF TIME FOR GENERATIONS TO COME**

Beaverton, Oregon: Prime Forest Products LLC announced the next growth phase. This milestone is a significant move for Prime Forest on its mission to solidify a strong foundation in the remanufacturing industry for the next generation.

“This acquisition will allow us to maintain and grow our existing business partnerships,” says Brad Rodakowski, President at Prime Forest Products. “It’s an exciting and new adventure.”

This news comes in the wake of many recent initiatives and accomplishments of the company, including:

- Growing our Sales Team – Both Experienced and New
- Developing Sustainability as one of 11,000 companies worldwide to participate in CDP.net
- Acquisition of Cut Stock plant in Springfield, Oregon, March 1, 2020

“We are excited for the future growth of the Prime companies,” says the Prime Forest team.

Prime Forest Products specializes in the remanufacturing of industrial-type lumber. Integration of the third generation continues to be a strong focus within the company. Prime Forest's core principle is making a difference in people’s lives through top-quality products and services and thriving team partnerships.
